FOREWORD

“ *With the pace of business and societal changes becoming ever more complex, faster and spanning borders, business leaders must thrive in an ever-changing environment.*

Old methods of thinking are no longer suited to the challenges of tomorrow, so, at Rennes School of Business we believe that education is the key to helping students step out of existing frameworks.

With 95% of faculty members and 55% of students coming from outside of France, Rennes School of Business brings the world to our students by opening their minds towards other cultures. Our mission: to allow students to think beyond the framework by living a unique and international experience

that will stay with them forever and turn education into a true exchange.

Thinking beyond the framework is about standing out from the rest, working differently, discovering new fields and anticipating tomorrow's challenges to make way for a better and more innovative future.

The quality of our processes, faculty, research and programmes has been endorsed by the leading international accreditation organisations. Rennes School of Business is one of less than 1% of Business Schools in the world to hold EQUIS, AACSB and AMBA “triple crown” accreditation status. A MULTICULTURAL FACULTY

The cultural diversity represented by the Faculty at Rennes School of Business, along with their academic and professional track record, are of direct benefit to students, providing the global environment that mirrors the reality in which companies operate today. Beyond their involvement in the five core academic disciplines (Marketing; Supply Chain Management & Information Systems; Strategy & Innovation; Finance & Accounting; and Management & Organisation). Faculty members showcase their research and expertise within the Rennes SB Areas of Excellence: Thriving through Complexity; AI-driven Business; Agribusiness; Green, Digital, & Demand-Driven Supply Chain Management. Course modules are developed in a transversal fashion, providing students with a unique opportunity to approach key management topics from different cultural, functional, and disciplinary perspectives.

It is a unique privilege to work in such an international and diverse environment, with my colleagues not only coming from countries all over the world, but also having been exposed to different cultural experiences throughout their academic and professional careers. I often think of Rennes SB as an island; a special place for intellectual exchange and collaborative learning. Within our community, we encourage our students to stretch their boundaries, move beyond their comfort zones, and identify innovative and "Unframed" solutions to managerial problems.

Housing

✓ Rennes School of Business housing platform

You will find many offers located near the campus from private landlords, halls of residence and real estate agencies on the [platform](#).

You can make your reservation request directly on the platform with your rental file. The accommodation team will send you the enrolment key allowing you to login on the platform once you will have enrolled at Rennes SB. Should you have any questions, please contact the platform team via the online Chat (available once you are registered).

Insurance

✓ Travel insurance

Students must make sure they have taken out travel insurance with emergency medical evacuation in case of serious health problems, accidents, etc., before leaving their countries.

Please note that Visa requirements often include emergency medical evacuation and repatriation insurance.

✓ Health insurance

Each student can benefit from French Social Security for partial refund of medical fees. We strongly encourage all non-European students to subscribe to a **private insurance** for full coverage during their stay in France.

European students have to ask for an EHC card (European Health Insurance Card) in their home country prior to their departure. It has to be valid for their entire stay in Rennes.

✓ Accommodation insurance

French law stipulates that all persons who rent accommodation must have civil responsibility and third party insurance for their address in France; some property owners include this in their «rental package». If not, the students can buy this from their French bank or from dedicated companies.

Visa

Non-European students will be expected to immediately apply for a student visa (with **"VLS-TS" mention**) as soon as they receive acceptance from Rennes SB. Please note that it can take up to 3 months to get an appointment.

IMPORTANT: the VISA must be valid **at least 4 months** even if students come for one semester.

Our exchange semester will last at least 94 days including classes and exam period. A 3-month VISA will only cover a 90-day period which is not sufficient.

The students will need to check with their nearest [Campus France agency](#), French Embassy or Consulate to start visa procedure.

✓ **Only for students with a VISA with "ETUDIANT" written on it:** according to the French law, it is compulsory to validate the VISA **within 3 months following the arrival date in France**, with [the OFII](#). It will enable the students to travel and will entitle them to the housing allowance.

✓ Upon acceptance at Rennes SB, students will receive the official acceptance letter in English, its translation into French (for visa purposes) and an additional letter in French for the Embassy / Campus France agency.

Welcome on arrival

The Well'Come team is a student association, which welcomes international students and helps them integrate into the school and everyday life in Rennes. It also organises parties, tourist trips (Mont St. Michel, Paris, etc.) and sports events with French students.
