

SUMMER SCHOOL IN SUSTAINABILITY

3-WEEK SUMMER SCHOOL FOR
BACHELOR STUDENTS

KLU

1-19

JULY

<https://www.klu.org/summer-school-2024>

TAKE A DEEP DIVE INTO SUSTAINABILITY

In our three-week summer school, we invite students to take a deep dive into the topic of **Sustainability**. Throughout the event, you will examine Sustainability from different angles with the help of interactive lectures, case studies, group work and exciting excursions. In addition, you will meet students from around the world and have the chance to network.

JOIN OUR 3-WEEK SUMMER SCHOOL IN SUSTAINABILITY

Sustainability has become a central topic in virtually all industries today. Learn how to navigate this complex topic during this three-week summer school.
